prez.... release....

Hello friends and fellow Kiwanians,

Thanks to all of you who attended the Thursday evening dinner – what fun we had! For those of you who could not be there (and those who were, but may not remember!) I want to let you know who the Board and Committee Chairs are for this coming year. We are indeed blessed with great leaders and with wonderful members – thank you all for everything you do for our Club.

The holidays will be upon us in no time, and Gloria Seitz, your President Elect, has already started working with her committee to get The Annual Toy Store show on the road! If you would like to help with the planning and shopping for this event, let Gloria know – she would be delighted to hear from you! Also in December, we'll be holding our successful Breakfast with Santa, and Sue Ivy is graciously leading this event again for us this year.

John Graham has kindly agreed to chair the Golf Tournament again in 2009, and Bob Cole, your Vice President, is heading up the Membership Committee. Board Member Karen Foster has stepped up to the plate to take over the Newsletter, and Scott Lauder, as well as joining the Board this year, is still continuing to keep our Web Page fresh and interesting. Barbara Bryant is continuing on the Board as our wonderful Treasurer, and she is also chairing our new Higher Education Committee, while Beth Supko will again be our Board Secretary. Board Members Renee Bevan and Alan Nogeic are always willing helpers, and they are so insightful while keeping us on task at our meetings. Carter Williams, your other new Board Member, has graciously said he will head up the additional Fundraiser we plan to hold in 2009 – more on this later. Ed Mortimer has agreed to take on the role of Inter Club Chairman, while Dick Gutleber continues to charge our members to provide us with wonderful speakers, as he continues to be our Program Chairman. And, of course Craig Stallings stays on the Board as Past President, and to keep me straight! We are also very lucky that Peter Stephenson is our Lieutenant Governor Elect, whilst as always, Wesley Brown will be heavily involved with the Summer Fishing Clinic. I applaud everyone's passion and service to Kiwanis

Please take a moment to thank all these folks for their commitment to our Club, and to ask them questions regarding their roles, or to share your ideas with them. Together, we can all make 2008/2009 a wonderful year, as we work to serve the less fortunate children of our community, and to spread the word that Kiwanis is alive and well in Smithfield!

Enjoy this wonderful autumn weather!
Angie.
