Success of Smithfield Kiwanis Is the Product of Team Effort

Treasurer Barbara Bryant needs a calculator to add up all the years of service contributed by Nelson Grace, Jerry Paisley and Bud Gary.

One of the best things about our club is that it is a service club. Sure we have fun socializing at our weekly meetings and social events, but bottom line we are focused on providing service to our community. Of course our service projects and donations are targeted to help and support the positive development of children, particularly those who are disadvantaged.

Our success in these activities is due to the fact that we have a club full of members who are committed to a team concept of service and demonstrate that fact in many ways. One is by showing up to organize/cook and distribute food and work on weekends/evenings at our fund raisers. Others are planning and implementing projects such as the Santa Breakfast, Christmas Toy Store, Kids Fishing Clinic and the Golf Tournament. We also support our Key Club at Smithfield High School and community service projects—the County Fair, for example.

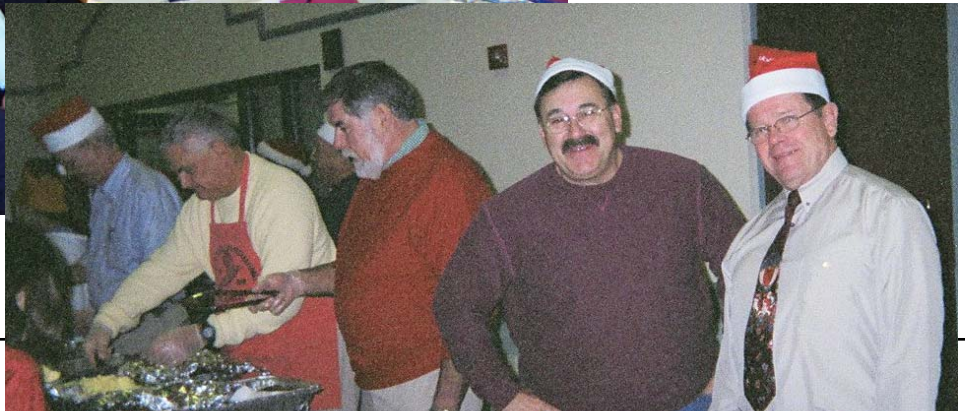

The first time I met Lankford Smith, our Kiwanis Division Leader, he asked me which club I was from. When I answered “Smithfield” he said, “Oh, Smithfield, that’s a good club, I don’t have to worry about them.” That’s his way of saying thanks to all of us, the Smithfield Kiwanis team!—*Joe Puglisi*

Kiwanis Showed a Lot of Heart During Holidays

President Joe Puglisi, Toy Store Chair Mike McPherson and board members Peter Stephenson and Kurt Falkenstein are all smiles over Christmas holiday results.

Breakfast servers who also did the Toy Store included John Graham, Gene Brittle, Alan Nogiec, George Perez & Jim Blesse

Pictured at left are Breakfast Clubbers Scott Lauder, Gene Brittle and Gloria Seitz.

Chair Sue Ivy and Harry Spears and Tom Ross are amazed by the record crowd who attended Breakfast with Santa.
