Kiwanis and Sentara Are Golf Partners in Tournament at Cypress Creek

Mulligan Man Bud Gary was assisted by Sentara's Gloria Seitz, Treasurer Barbara Bryant, Karen Foster and Leslie Holthoff—exclusive photo by Billie Cook.

On May 2nd the annual Sentara/Kiwanis Golf Tournament was held at the Cypress Creek Golf Club. Tourney Chair Craig Stallings and his crew worked overtime to insure the event's success for the 25th straight year.

Free refreshments were served during and after play. Kiwanis chefs Carter Williams, Wesley Brown, Mac Cofer, Scott Lauder and Alan Nogiec served up deli hot dogs at lunch and a barbecue dinner at the awards ceremony afterwards.

Foursomes competed using the Florida Best Ball format. Prizes were awarded to the first, second and third place teams. The Beale & Curran Team returned to championship form after finishing behind Phil Frix of Edward Jones for the past two years. B&C took top honors by scorching the course with a score of 58, closely followed by the teams of Tom Ivy (59) and Tommy Turner (60). Individuals prizes were offered for the closest shot to the pin, the longest drive, and for merely showing up at the door. There was no winner of the top prizes—for sinking a hole-in-one—provided by Pomoco Motors of Smithfield.

For the second time the Sentara Obici health group co-sponsored the event. Smithfield Kiwanis is indebted to Sentara and its other corporate sponsors for making the day a success. Thanks are due the Cypress Creek Club for use of the verdant venue. And hats off to Kiwanis members who gave their time to help out.

Golf Tournament Celebrates 25th Anniversary

Making major contributions to the Kiwanis/Sentara Obici Golf Tournament were corporate sponsor Bob Cole and Tourney Committee members Renee Bevan and John Graham.

Kiwanis Again Hosts Junior Fishing Day on July 17th

On July 17th the annual Kiwanis Fishing Day Clinic will be held at the James River Pier in Newport News. Through this event Division 21 Kiwanis Clubs provide the opportunity for needy kids from across Hampton Roads to learn to fish. Marine agencies and foundations will also be there to tell them about safety, conservation, and the environment.. They also support Fishing Day with funds..

Approximately 250 children will participate. Kids are selected by service providers and church groups. Among these are CHIPS, Volunteers in Youth, and Big Brother and Big Sister programs. Each child will get a new rod and reel, tackle, tee shirt and hat to take home at the end of the day. All participants will be served a lunch of grilled hot dogs, chips and sodas. Help a kid! Be a volunteer!

**Volunteers are needed for the
Division 21 Kiwanis Junior
Fishing Day to be held on July
17th. Look for more about
how you can help at club
meetings or call Wesley Brown
on 357-3333.**

P, S.....by Peter Stehenson

I just want thank all members who contributed to our May activities.

The golf tournament was a great success. Kudos go to Chair Craig Stallings and his hard-working committee, including John Graham, Becky Mercer and Renee Bevan. And to the firm of Brown, Cofer, Lauder, Nogiec & Williams for catering. And to Bud & Jerry & Billie.

Special thanks go to Gloria Seitz for netting our co-sponsor, the Sentara health care group. Thanks are due for major prize donations by Bob Cole of Pomoco Motors and Ron Pack of Smithfield Station

The Golf Tournament is the capstone of our Spring season. Craig Stallings will be President next year and is thus retiring as chairman. Tell the Board if you'd like the job.

Another vacancy is created by the departure of Kurt Falkenstein, who resigned due to his other commitments. Kurt has done a fine job on the Board and will be missed. Contact the Board if you would serve.

Thanks also go to Carter Williams who led a caravan of 10 members to the Division 21 National Day of Prayer Breakfast in Chesapeake.
