## *It's That Time of Year*

These oh-so-very-hot temperatures remind us all that it's almost time for the Kiwanis Capital District, Division 21 Kid Fishing Day. This year's event will be held on July 20 from 9:00 - 1:00 at the James River Fishing Pier.

This is a great event that brings members of all Division 21 clubs out to introduce the sport of fishing to over 200 area kids who otherwise may not have the opportunity. The event will also include educational opportunities for the children focused on local waterways, conservation and safety around the water. Each child will be given a fishing pole, t-shirt and hat and be treated to a hot dog lunch.

This is a huge project that will require many volunteer hours in addition to the hours that have already been contributed by Wesley Brown and his organizing committee. Festivities begin at Wesley's house at 910 Magruder Road in Smithfield on the Sunday afternoon before the event (July 18) to prepare the rods and reels.

The day of the event provides many opportunities to lend your talents and skills. Volunteers are needed for setup, at the registration table, food cooking and prep, distributing rods, reels and bait, for general pier assistance and for clean up. If you are good at untangling those bird nests we see every year, your skills are especially helpful.

**Congratulations to Club Secretary, Beth Supko, for earning her bronze key by recruiting two new members so far this year!!!!  
Way to go Beth!**

## *Key Clubbers Graduate*

#### **Smithfield Kiwanis: Who We Are**

We are local community servants who envision a world where no child suffers from hunger, neglect, abuse, need or inadequate medical care. We work hard to support the needs of the children of Isle of Wight County, but we know it is up to us to address the overarching threats to the future of children everywhere through our affiliation with Kiwanis International.

We take our responsibilities seriously and we work together unselfishly to provide a safety net for children. There is nothing we can not do together. We are Kiwanians. Ask others you know who would like to give back to their community and lift up children to come and join us. Just ASK (Always Sell Kiwanis) someone this week to come to lunch with you. Thank you for your generous spirit and teamwork. This club is special. Respectfully, Bob
