The Prez Says... We have many exciting events coming up and look forward to some fun, fellowship and fundraising in 2012. I am very proud of our members for spreading the word and recruiting new members. We have added 4 new members since I have taken office and there are more to come. I challenge everyone to recruit one new member before my term is up.

We are doing well with our interclub visits. I want to thank Ed Mortimer for being the chairman and handling the schedule. We would like to invite any new member to join us when we visit another club. Please let Ed Mortimer know if you are interested.

Finally, we will soon be taking nominations for new officers for the next year. Please let anyone on the board know if you are interested in serving on the board or any committee.
